Sir:

In response to the Notice to File Missing Parts and the Notice to Comply with Sequence Rules dated July 23, 2002, please amend the above-identified application as follows:

IN THE SPECIFICATION:

Please delete the previously submitted Sequence Listing and insert the attached Sequence Listing (pages 1-34) at the end of the specification.

REMARKS

The Notice to Comply identified a number of alleged errors in the Sequence Listing in the computer readable form submitted. The print out of the Sequence Listing from Applicant's record of the computer readable form did not show these errors. Nevertheless, Applicants enclose a new paper copy and a new computer readable form for the Sequence Listing. The content of the paper copy and of the computer readable form is the same. This submission contains no new matter.

The Examiner is hereby invited to contact the undersigned by telephone if there are any questions concerning this amendment or application.

Respectfully submitted,

Date: September 23, 2002
